Beginning January 1, 2012 the Board of Health will be issuing a **one-time 18 month Transfer Station Permit** to residents. The purpose of this one-time 18 month permit is to transition the budgetary year from calendar year to fiscal year to coincide with the Town's budgetary period.

The permit will be valid from January 1, 2012 until June 30, 2013. A standard permit for that 18 month period will include 85 bag tags and will cost \$233.00. Seniors 65 years of age and older can continue to purchase a permit at a reduced rate: This Senior 18 month permit will also include 85 tags at cost of \$75.00.

Effective July 1, 2013, all permits will be issued for the fiscal year which runs from July 1st thru June 30th of the following year and the permit fee will be for that fiscal year period of 12 months. The fee for that fiscal year has yet to be determined.
