FY24 Budget Discussion

Select Board voted this morning to present two budgets: one balanced (with cuts) and one as currently planned, including request for one-time \$302k override. Cuts would primarily come from Police, Fire, and Highway departments.

At this time, there is insufficient detail on future projections of the GDRSD assessments to adequately plan to ask the town to support a larger, longer term override. Further study will be required, most likely in collaboration with Groton town boards, to coordinate projections.

No action required.

Motion to adjourn JimF, 2nd - HaroldS. Vote: Unanimous to adjourn

Meeting adjourned at 7:50 pm
